### **Dear Potential Sponsor,**

## Climb on board with Wharton's Annual Canal Day Music & Craft Festival.

Canal Day is an old time country festival, now in its  $4\underline{7}$ th. year that celebrates the heritage of the Morris Canal and the restoration of Morris Canal Lock 2 East. The festival attracts thousands of visitors from the region and is a wonderful opportunity to promote your business by meeting and greeting local residents as well as having some fun too.

You can sample some great food, browse unique handmade crafts, art, and fine jewelry. Listen to some of New Jersey's best home grown musical entertainers on two performance stages. Learn the art of blacksmithing, visit a Civil War encampment, or take a boat ride or a guided walking tour along the Morris Canal. This year's festival will double in size from previous years with additional attractions and parking.
