## Dear Potential Sponsor,

Don't miss the boat, by not becoming involved with Wharton's Annual Canal Day. Canal Day is an annual old time country festival that is now in it's 34th year. The festival attracts thousands of people to celebrates the Morris Canal and is held at Hugh Force Canal Park in Wharton, NJ.

Sample some of the Best Food in the area. Hand picked crafters from around the region will be attending the event to display their beautiful offerings. Listen to some of New Jersey's best home grown Musical Artists.

Learn about local history, The Canal Society of New Jersey will provide free Mule Drawn Boat Rides along the Morris Canal, as well as walking tours. These informative tours will focus on the historical significance of the canal and efforts being made to restore Lock 2 East to an outdoor museum.

This is a wonderful opportunity for business promotion by meeting and greeting the local residents as well as having some fun too.

I am hoping that your company will utilize this event for the promotion of its services through sponsorship. There are many levels of participation.
